No cards, no dice, no spinners -- no board! Join the fun as you learn to play more than 50 of the best word games, puzzle games, coin games, and more. Gladstone's Games to Go can be enjoyed with just a pencil, paper, and some commonly found objects (coins usually do the trick). Old classics like Battleship and Connect Four have been updated for more challenging play, while newer games like Doublet Racing and Initialist will test the skills of even the most experienced gamers. Whether you're on a transcontinental plane ride, waiting for a movie to start, lounging on a beach, or sitting with friends in the coffeehouse, you're guaranteed to find the cure for boredom in these pages. Start playing today!
