Of course you want to help students master communication, learn about language, and practice thinking skills--but with storytelling games? Yes you can, and easily, with

the expert guidance of professional storyteller and educator Doug Lipman. You will also discover that storytelling games are a fun and exciting way to explore places, periods, and peoples, and even to practice math and science. The author provides step-by-step methods for adapting and using the story games to meet the needs of specific groups. He explains how to teach each game, control your group without decreasing energy, and even how to get reluctant players to contribute.
