Would you like to serve on jury and decide whether someone accused of a crime is guilty or not? Who doesn't love a twisty mystery--a locked room, a seemingly impossible crime, a pivotal piece of evidence that seems to make no sense. Here are 15 diabolically clever crimes that made the author smile and say, "You'll never untangle this one"; but you'll want to keep looking till you find the simple twist that lets you sneer and reply, "I fooled you!" These little murders and other crimes hark back to old-fashioned whodunits--you don't need special police knowledge or have to engage in chases and fights. There's not even a complicated logic involved, just good use of your imagination. 96 pages, 12 b/w illus., 5 3/8 x 8 1/4.
