## Your Lucky Dice

Take your character's fate into your own hands with these special dice made especially for use in the World of Darkness games. Will you achieve great feats or suffer at the whim of chance?

### A Play Aid for the World of Darkness

A set of 10 dice colored to match the look of the corebooks, complete with a durable and convenient carrying bag with logo.

Target numbers on each die are different colors to make successful rolls stand out - makes the Storytelling System even easier!

Sets display attractively in clear plastic blisterpacks.
