With this guide by their side, even newcomers who have never played before can become the star of their bridge club "in just five days" A daily schedule of fundamental techniques and rules helps players absorb the basics more quickly and easily, leaving them more time to develop and perfect winning strategies. Day One begins the game, from the initial cut to simple bidding procedures. Then, it's time to move on to more advanced bidding techniques, a round of declarer's play, and defensive play. "Check-back" quizzes at the end of each lesson reinforce what has been learned and establish what needs more practice. For anyone who has ever yearned to learn the game, this is the ticket to victory.
