Wordoku is a cool combination of sudoku and wordplay - and it's the hottest new craze among puzzle lovers. This massive collection, which follows on the success of the two earlier books, will provide solvers with hours of fun. It features an amazing 900 wordoku, with grids in a variety of sizes: smaller 8 X 8s, standard 9 X 9s and extra-hard

10 X 10s. Because the level ranges from easy to brainbusting, everyone will find puzzles that are just challenging enough. The rules are simple and almost exactly like sudoku - except with letters in place of numbers. Plus, players will enjoy the terrific additional twist: when they're finished filling in the grid, they get to uncover a hidden word to complete the puzzle!
