*Complete Unit Information - Being a real-time strategy (RTS) title this game has dozens of units to keep track of and utilize. Our information helps players decide what pieces are best for their strategy and gives them quick access to details on every

fighter, building, and siege engine.*Campaign Maps - The maps give full overviews of a battlefield, including objective markers and enemy encounters. You can head directly to these points rather than searching around, wasting time and getting surprised by fights they aren't prepared for.*Multiplayer Maps - RTS play is big online. To succeed online you need every advantage. Our maps pinpoint important features on every multiplayer map to make sure you keep that advantage
