The Benoni is a dynamic counter-attacking weapon. Bobby Fischer employed it to win Game Three of his world championship chess match against Boris Spassky. The current champion, Vladimir Kramnik, used it in his title fight against Peter Leko. Here, in the entertaining style of the "Revealed" series, is an accessible, in-depth look at the ideas behind the Benoni, including: the opening's main variations, best and worst performances with it,"plus the very latest ideas from the world's top players.
