Having a water garden is not just about the plants. A gardener can have a refuge in his or her own backyard. Part of the Can't Miss? series, "Can't Miss? Water Gardening for the Midwest" provides recommendations for creating and maintaining a water garden suitable specifically for that region. It is an ideal resource for beginners in water

gardening. Information includes: Choosing and Installing your Water Garden (and when to get help) Profiles of recommended plants for the Midwest Stocking Your Water Garden with Plants, Fish, and More Planting, Care, and Maintenance
