Gardening is now the favorite leisure pastime in America. Homeowners are realizing

the health benefits derived from gardening and the increase in their home's property value. Book retailers are well aware that the trend in gardening books is to regional titles that provide credible information on the plants that perform well in specific regions. "Month-by-Month Gardening in Wisconsin" is written for Wisconsin gardeners who want to know how to properly care for their gardens and the correct timing for successful results. Each chapter is comprised of monthly plant-specific information. This book covers landscape and vegetable gardens and is appropriate for beginning to intermediate gardeners.
