Today's gardener has literally hundreds of bamboos, grasses and palms from which to choose. These versatile, easy-to-maintain plants encapsulate a huge range of textures, forms, sizes, colours and flowering times - meaning there is something suitable for

every garden in every climate. "The Bamboo, Grass & Palm Specialist" goes back to basics, first describing what bamboos, grasses and palms are and detailing their many uses. It then moves on to cover buying tips, planting information, cultivation, propagation and displays - whether readers want to create a Japanese-style bamboo garden or make a simple focal point out of ornamental grasses in a terracotta pot. Invaluable A-Z lists of the most useful and easily grown plants are also included. Packed with invaluable information and presented in a clear, accessible format, "The Bamboo, Grass & Palm Specialist" is an essential handbook for anyone keen to make bamboos, grasses and palms a feature of their garden.
