The definitive book on perennials is now bigger and better than ever The revised 10th Anniversary Edition of "Rodale's Illustrated Encyclopedia of Perennials" is the last word on growing lush, healthy gardens using hundreds of gorgeous, versatile perennials. Highlights of this new edition include seven new garden designs by well-known

landscape artists from around the country; over 75 new encyclopedia entries, with hundreds of new plants added; and three new chapters: Perennial Flower Finder, Perennial Combinations, and Growing with the Design. The result is a winning mix of information and inspiration-and beautiful color photographs-to take one's dream garden from concept to reality.
