Ciscoe Morris answers 400 the most interesting, oft-asked, most urgent, and puzzling gardening questions. Even if Ciscoe’s signature exclamation "Ooh-la-la!" (delivered with a thick Wisconsin accent) is completely disarming, do not underestimate his gardening chops: Master Gardener, certified arborist, teacher at the University of Washington’s Center for Urban Horticulture. In his first book, he addresses the full range of issues from ornamental gardening and trees to vegetables, fruit trees, shrubs, lawns, containers, weeds, and more.
