Tim Wood is a third-generation Michigan horticulturist and author of this beautiful calendar and month-by month guide to gardening in Michigan. He brings a wealth of information to this valuable new tool for maintaining and improving your garden throughout the year. The format allows you to keep your own notes on such variables as weather, insect and disease appearances and treatments, as well as garden highlights and the practical stay-flat binding makes it easy to write your notes while at work in the garden. Each month opens with a beautiful two-page photo spread and has twelve pages devoted to information about annuals, perennials, vegetables, fruits, trees, shrubs or houseplants followed by 12 pages full of tips, information and ideas that will help you keep your Michigan garden looking its best
