Gardening is now the favorite leisure pastime in America. Homeowners are realizing

the health benefits derived from gardening and the increase in their home's property value. Book retailers are well aware that the trend in gardening books is to regional titles that provide credible information on the plants that perform well in specific regions. Written by gardening experts Georgia Tasker and Tom MacCubbin, this book offers advice on the diverse landscape of Florida. Contains easy to use advice on the top landscape plant choices (more than 160 entries) for Florida. Recommends specific varieties and provides advice on how to plant, how to grow and how to care for Florida's best plants.
