Weeding. Watering. Soil improvement. Frost and heat protection. Wouldn't it be wonderful if these gardening and landscaping chores could be simplified with one easy method? They can. This book is a reader's guide to the gardener's secret weapon for healthy, carefree and beautiful gardens and landscapes - mulch. Advice on every kind of mulch and on how to use mulches on everything from landscape plantings to vegetable gardens makes this the one book that gives readers everything they need to know to use mulch most effectively.
