A backyard can come alive by creating an environment with plants and spaces that

attract nature's most interesting and friendly creatures. Colorful butterflies, uplifting songbirds, and lively toads can enhance the personal garden space, giving pleasure to nature lovers of all ages. "National Wildlife Federation's(R) Attracting Birds, Butterflies, and Other Backyard Wildlife" provides over a dozen step-by-step projects for families to do together, making getting back to nature easy, educational, and fun.
