装帧:Hardcover

isbn:9780804832946

The "Sakuteiki," or "Records of Garden Making," was written nearly one thousand years ago. It is the oldest existing text on Japanese gardening-or any kind of gardening"-in the world. In this edition of the "Sakuteiki" the authors provide both an English-language translation of this classic work and an introduction to the cultural and historical context that led to the development of Japanese gardening.
