Perhaps the most uncommon hue in the plant kingdom, the color blue strikes a distinctive note in any garden. In this fascinating book, now available in paperback, Robert Geneve provides a wide selection of blue flowers that will help readers expand the range of colors in their gardening palettes - from powder blue and turquoise to navy and violet. A well-traveled garden visitor and gifted photographer, the author has included more than 150 stunning photos of blue flowers from gardens around the world. "A Book of Blue Flowers" is an ideal handbook for gardeners of all skill levels and in any climate.
