Passionate gardeners in cooler climates struggle year after year to overwinter their

gorgeous tropical plants. Our new paperback edition is the answer to their problem - practical advice for achieving the tropical look in a temperate garden. The authors, who both live and garden on Long Island, New York, reveal the secrets to creating a lush, flamboyant landscape. Separate chapters cover such topics as principles of design and maintenance, proper plant selection, container gardening, and overwintering. Fantastic color photography throughout will inspire gardeners in even the hardest zones. With the help of this book, an impressive tropical garden is within any gardener's reach.
