著者:Druse, Kenneth

出版者:Workman Pub Co

出版时间:2004-3

装帧:Pap

isbn:9780881926323

Now in paperback, this classic book shows American gardeners how they can create beautiful native-plant gardens. Through 500 color photographs of 35 gardens across the country, Ken Druse introduces nature's original communities -- grasslands,

drylands, wetlands, and woodlands. Listings of plant sources, places to visit, and societies and organizations have been updated for this edition.
