著者:George Schenk

出版者:Timber Press

出版时间:1997-3-15

装帧:Hardcover

isbn:9780881923704

This is a delightful book that encourages gardeners to pay closer attention to the subtle beauty of miniature landscapes and introduces one of the glories of Japanese gardens into American designs. The author writes entertainingly of mosses on rocks and walls, in containers, and as a lush ground cover, and he presents a gallery of his favorite moss species.
