40 leading venture capitalists come together to teach entrepreneurs how to succeed with their startup. The Entrepreneurial Bible to Venture Capital is packed with invaluable advice about how to raise angel and venture capital funding, how to build value in a startup, and how to exit a company with maximum value for both founders and investors. It guides entrepreneurs through every step in an entrepreneurial venture from the legalities of raising initial capital to knowing when to change tactics. Andrew Romans is the founder and general partner of The Founders Club, a venture capital equity exchange fund and direct secondary venture capital fund. Romans is also the cofounder and co-chairman of Georgetown Alumni Angels, an investment firm associated with Georgetown University.
