Whether you're a newly diagnosed cancer patient, a survivor, or a friend or relative of either, this book offers help. The only text to provide the doctor's and patient's view, 100 Questions & Answers About Cancer Symptoms and Cancer Treatment Side Effects gives you authoritative, practical answers to your questions about cancer and coping with its symptoms. The book, which includes comments from actual cancer patients, provides invaluable information on the best treatment for relieving pain, nausea, fatigue, anemia, skin problems, the value of complementary and alternative medicine, and much more. Written by cancer care professionals and patients, this book is a unique resource for anyone coping with the physical and emotional turmoil of cancer.
