PSYCHOSOCIAL ASPECTS OF HEALTH CARE

[Psychosocial Aspects of Healthcare 下载链接1](#)

著者:Drench, Meredith E. (EDT)/ Noonan, Ann Cassidy/ Sharby, Nancy/ Ventura, Susan Hallenborg

出版者:Prentice Hall

出版时间:2007-1

装帧:Pap

isbn:9780131716742

This text is based on the belief that an understanding of the psychosocial aspects of

health care optimizes therapeutic outcomes. Comprehensive in scope, Drench addresses a variety of psychosocial topics involving individuals affected by pathology, impairment, functional limitation and/or disability. It addresses very real issues in today's health care environment, acknowledging time as well as other constraints, and describes recommended roles and intervention strategies for care providers. It is intended for students and professionals within all health care professions.
