著者:Kushi, Michio

出版者:Square One Pub

出版时间:2006-2

装帧:Pap

isbn:9780757002670

Oriental diagnosis, an ancient holistic system of knowledge, can detect physical problems before they arise. Beginning with an explanation of the principles of Oriental diagnosis - touching, "seeing," and pressure - author Michio Kushi helps you understand this natural, non-invasive approach.
