This text gives instructors and students a structured format for teaching and learning ethics and standards of practice for massage therapy. Discussion topics include core industry standards of practice, laws, morals, rules, and regulations. It is an ideal

textbook for ethics courses in massage therapy programs and prepares students for the ethics questions on the National Certification Exam. The book guides students through the process of putting ethical standards into practice, and explains what is expected of them in a professional setting. Role-playing exercises and example scenarios prepare students for situations and dilemmas that arise in practice.
