

# 100 Questions and Answers About Plastic Surgery

[100 Questions and Answers About Plastic Surgery 下载链接1](#)

著者:Gerber, Diane/ Kuechel, Marie Czenko

出版者:Jones & Bartlett Pub

出版时间:2004-8

装帧:Pap

isbn:9780763726324

Within this one-of-a-kind guide for consumers, the authors address many of the key issues concerning plastic surgery, including reasons why an individual has an interest or desire for plastic surgery, how to find, evaluate, and communicate with a credible provider, and what a patient can expect both physically and emotionally. In addition, the authors answer questions about the aesthetic and emotional benefits of plastic surgery and discuss the fulfillment such a procedure can provide. From patient concerns, to provider's responsibilities, to the often-overlooked topic of reconstructive surgery, this innovative guide covers the many facets of plastic surgery and is certain to educate and aid people in making key decisions.
