isbn:9780553379259

A revolutionary book by a pioneering healer, Hands of Life takes energy medicine where it has rarely gone before--into the operating room--as Julie Motz reveals the true healing power of the body and puts it in the reader's very own hands.

As one of the first nontraditional healers allowed to work in an operating room, Julie Motz harnesses the body's own energy to help patients survive risky operations, such as heart transplants and cancer surgery. Now she shares remarkable case studies of healing, recovery, and transformation--and gives readers step-by-step guidance on accessing one's own innate healing energy.

Treating the body and spirit as an interconnected whole, Motz explains her breakthrough form of healing, the ultimate synthesis of Eastern holistic healing and Western medicine. She shows how strong emotion affects our bodies, creating energy imbalances that can lead to illness if unaddressed, and illustrates how we can heal.

<!-- As one of the first nontraditional healers allowed to work in an operating room, Julie Motz harnesses the body's own energy to help patients survive risky operations, such as heart transplants and breast cancer surgery. Now she shares remarkable case studies of healing, recovery, and transformation--and gives readers step-by-step guidance on accessing one's own innate healing energy.

Treating the body and spirit as an interconnected whole, Motz details her breakthrough form of healing, the ultimate synthesis of Eastern holistic healing and Western medicine. She explains how strong emotion affects our bodies, creating energy imbalances that can lead to illness if unaddressed, and illustrates how we can heal. -->
