著者:Husemann, Friedrich/ Wolff, Otto

出版者:Rudolf Steiner Pr

出版时间:1996-10

装帧:HRD

isbn:9780880100311

The first volume of a projected four-volume series explores the body's relationship to soul and spirit on the basis of Rudolf Steiner's insights into the workings of the spiritual world. An extensive discussion of developmental disorders and childhood diseases is followed by an in-depth exploration of the polarity of inflammation and sclerosis and the biochemistry and pathology of nutrition and metabolic disorders.
