出版时间:2000-5-22

装帧:Paperback

isbn:9781585420223

A modern healer draws on Aztec folk medicine to offer a new perspective on women's health.

Showing readers how to become not only physically healthy but also creatively and spiritually whole, Elena Avila's book presents a global vision of how the gifts of indigenous health care, married with contemporary technology, can create a medicine of the future.
