Winning the War Against Asthma and Allergies is an absolute must for any health care practitioners interested in alternative therapies for the treatment of asthma and allergies. This book details an innovative and proven breakthrough treatment method, Nambudripad Allergy Elimination Technique, (NAET) for the long term elimination of allergies that lead to asthma. Coverage includes: complimentary adjunctive therapies that enhance the benefits of NAET, enzyme therapy in the elimination of astham symptoms and drugs, emergency tips, directory of NAET practitioners and enzyme therapists, and updated NAET diets.
