Bald in the Land of Big Hair is the hilarious-and often heartbreaking-tale of Joni Rodgers's journey through the badlands of cancer told with humor, occasional anger, and unflinching honesty. More than just a cancer book, this is a deeply affecting memoir of one woman's struggle to come to terms with everything that life throws her way. Ultimately, this is a moving celebration of the true meaning of human triumph and courage, the importance of community and the imperative of living everyday with joy.
