装帧:HRD

isbn:9780306472404

This book is the first one to examine stress in primary health care professionals in the UK - the professionals who are in the frontline of medical care in a rapidly changing society. It is a detailed literate review of stress in general and includes the results of studies on primary health care professionals. It contains extensive material from face-to-face interviews with each profession and practical advice on how they can manage stress.
