Oh, the joys of pregnancy! There's the gasiness, constipation, queasiness, and exhaustion; the forgetfulness, crankiness, and the constant worry. Of course, no woman is spared these discomforts and humiliations, but most are too polite to complain or too embarrassed to talk about them. Not Jenny McCarthy! In *Belly Laughs*, the actress and new mother reveals the naked truth about the tremendous mood swings, the excruciating pains, and the unseemly disfigurement that go along with pregnancy. Never shy, frequently crude, and always laugh-out-loud funny, McCarthy covers it all in the grittiest of girlfriend detail. With tips and hilarious musings on morning sickness and hormonal rage, hemorrhoids, pregnant sex, and the torture and sweet relief that is delivery, *Belly Laughs* is must-read comic relief for anyone who is pregnant, who has ever been pregnant, is trying to get pregnant or indeed, has ever been born!
