Dear Friend, Twenty years ago, I made a decision to wake up and alter the direction of my life. This set in motion a series of events that proved to me there are no coincidences. Every event we experience and every person we meet has been put in our path for a reason. When we awaken to this fundamental truth, we begin to understand that a benevolent force of energy is available to guide and direct our lives. I call this energy the unmistakable touch of grace. This book tells the story of how grace has transformed my life as well as the lives of others. While some stories may seem unbelievable, all of them are true. As you follow the journey, you'll start to see the influence of grace in your life, too. And, once you've finished, the way you view your life (and the people in it) will be changed forever. Many blessings, Cheryl
