Offering a holistic program that can permanently cure food and environmental sensitivities, this revolutionary guide is a breath of fresh air for sufferers of asthma and allergies. Dr. Ellen W. Cutler introduces a self-treatment system known as Bioenergetic Sensitivity and Enzyme Therapy (BioSET), comprised of enzyme therapy, detoxification, and use of a specially developed acupressure technique. LIVE FREE FROM ASTHMA AND ALLERGIES will help people say good-bye to pharmaceuticals, tissues, and inhalers.
