A wild ride through Canadian history, fully revised and updated!

This new edition of Canadian History For Dummies takes readers on a thrilling ride through Canadian history, from indigenous native cultures and early French and British

settlements through Paul Martin's shaky minority government. This timely update features all the latest, up-to-the-minute findings in historical and archeological research. In his trademark irreverent style, Will Ferguson celebrates Canada's double-gold in hockey at the 2002 Olympics, investigates Jean Chrétien's decision not to participate in the war in Iraq, and dissects the recent sponsorship scandal.

评论

加拿大历史，讲述的特别生动详细，值得读几遍。这本书基本颠覆了我对Dummies系列书籍的认知，毕竟一本Dummies书还获了历史书籍的奖项也是突破天际了
