装帧:Hardcover

isbn:9780415952552

On the Move presents a rich history of one of the key concepts of modern life: mobility. Increasing mobility has been a constant throughout the modern era, evident in mass car ownership, plane travel, and the rise of the Internet. Typically, people have equated increasing mobility with increasing freedom. However, as Cresswell shows, while mobility has certainly increased in modern times, attempts to control and restrict mobility are just as characteristic of modernity. Through a series of fascinating historical episodes Cresswell shows how mobility and its regulation have been central to the experience of modernity.

评论

第二章文献综述很清晰，但批判不够有力。每章都可当案例分析参考，结尾太快，说好的politics of mobility呢，critical studies都不呐喊咧～不够mean，还是比较interpretative～但总的来说metaphor分析很好呐
