Two founding fathers of American industry. One desire to dominate business at any price.

The author of Last Train to Paradise tells the riveting story of Andrew Carnegie, Henry Clay Frick, and the bloody steelworkers' strike that transformed their fabled partnership into a furious rivalry. Set against the backdrop of the Gilded Age, Meet You in Hell captures the majesty and danger of steel manufacturing, the rough-and-tumble of the business world, and the fraught relationship between "the world's richest man" and the ruthless coke magnate to whom he entrusted his companies. The result is an extraordinary work of popular history.
