England and its Rulers has established itself as an attractive and authoritative account of English history from 1066. For this third edition, three new chapters have been added, the bibliography and suggested further reading sections have been fully updated, and additions and amendments have been made throughout. New edition of the standard introduction to this popular period of English history. Assesses the reigns of successive monarchs including William the Conqueror, Henry I, Richard the Lionheart, and King John. Includes an epilogue on the reign of Edward I (1272-1307). Three new chapters examine the social and economic history of the period and the British dimension of English history.
