著者:Mutalib, Hussin

出版者:Marshall Cavendish Academic

出版时间:2004

装帧:Paperback

isbn:9789812104083

In this study, Mutalib (political science, National U. of Singapore) considers the struggle between contemporary political parties in Singapore. His analysis is based upon archival research and interviews with leaders in both the dominant PAP party and those representing the opposition. He concludes by describing the problems facing opposition parties and assessing their prospects for making a lasting challenge to the PAP. Distributed in the U.S. by ISBS.
