Originally, the Ethiopian Church received fourteen Anaphoras from the Church of Egypt, yet at the time of first publication, only three of them could be accounted for -that of St. Cyril, St. Gregory and St. Basil. Marcus Daoud has translated the remaining thirteen. First translated in Arabic, it was H. E. Blatta Marsie Hazen who requested the English translation, and His Imperial Majesty Haile Selassie I, former Emperor of Ethiopia, who personally funded the printing of the English manuscript. Accompanied by footnotes taken from an interpretation of the Liturgy written in Amharic by the doctors of the Ethiopian Church, this work is an excellent addition to any scholar interested in the Christian liturgy.
