出版者:Addison-Wesley

出版时间:2007-2

装帧:Pap

isbn:9780321429797

With its inclusive view of American history, Created Equal, Brief Edition, Volume Two emphasizes social history--including the lives and labors of women, immigrants,

working people, and minorities in all regions of the country--while delivering the basics of political and economic history. In this streamlined version of Created Equal, the authors have preserved the chronological framework and strong narrative thread, the rich tapestry of people and events, the engaging and illuminating stories, and the Interpreting History features of the original text, but have sharpened the presentation and prose condensing each chapter by 25 percent.
