著者:Gott, Richard

出版者:Yale Univ Pr

出版时间:2005-11

装帧:Pap

isbn:9780300111149

In this acute and profoundly engaged exploration of Cuban history, Richard Gott illuminates the island's entire revolutionary past, from pre-Columbian times to the present. He emphasises little-known aspects of Cuba's early centuries and provides an extraordinary account of Castro's regime, its lonely survival in the post-Soviet years, and its expected future.
