

# Constructing the American Past

[Constructing the American Past\\_ 下载链接1](#)

著者:Gorn, Elliott J./ Roberts, Randy/ Bilhartz, Terry D.

出版者:Prentice Hall

出版时间:2007-7

装帧:Pap

isbn:9780321484741

This primary source reader captures the excitement of hands-on history through letters, articles, journalistic sources, photographs and posters. Constructing the American Past achieves a level of inclusion and depth rarely found in other source books. Each chapter focuses on a particular problem or moment in American history,

and provides students with several points of view. The photographs, posters and maps included in the text ask the students to "read" the visual sources of American history. By exposing students to primary sources, the building blocks of history, Constructing the American Past fosters a solid foundation and invites its readers to build their own understanding of American history.
