出版时间:2001-8-23

装帧:Paperback

isbn:9780192801265

The image of Poland has once again been impressed on European consciousness. Norman Davies provides a key to understanding the modern Polish crisis in this lucid and authoritative description of the nation's history. Beginning with the period since 1945, he travels back in time to highlight the long-term themes and traditions which have influenced present attitudes. His evocative account reveals Poland as the heart of Europe in more than the geographical sense. It is a country where Europe's ideological conflicts are played out in their most acute form: as recent events have emphasized, Poland's fate is of vital concern to European civilization as a whole. This revised and updated edition tackles and analyses the issues arising from the fall of the Eastern Block, and looks at Poland's future within a political climate of democracy and free market.

评论

Polish history from ancient to recent past, presented curiously in reverse order; to be not too unfair, could serve as information/Intro sake; but overall, the book is limited in historical vision, general in its sketch even to the point of uncritical(or maybe its me being too critical) great book cover though: Polska bearing its Cross

事實性部分論述流暢，前後因果交代俐落。但對抽象性問題的論述卻囿於細節，邏輯不清。整本書的編排也讓人困惑。更適合作為歷史通俗文學來看。
