

Text and Practice

[Text and Practice_下载链接1](#)

著者:Inden, Ronald

出版者:Oxford Univ Pr

出版时间:2006-4

装帧:HRD

isbn:9780195668957

The essays included in this book represent the bulk of Ronald Inden's essays dealing with the two major themes he worked on during his scholarly career - caste and religion. Some of these essays take a closer look at medieval Indian history to understand modern history.
