出版时间:2012-1-4

装帧:Paperback

isbn:9780394708423

The third volume in Great Issues In American History, From Reconstruction to the Present Day is now updated and revised to include another decade of American history. Beatrice K. Hofstadter, wife of the late Richard Hofstadter and herself an historian who worked with him closely on the original edition, has added a new section covering 1970 to 1981 and rearranged other sections in the light of what has since proved to be of lasting importance. This collection of significant documents in American history now goes from Lincoln s Proclamation on the Wade-Davis Bill on July 8, 1864, to Reagan s Address on Arms Control Negotiations on November 18, 1981. Volume I From Settlement to Revolution. 1584-1776 Edited by Clarence L. Ver Steeg and Richard Hofstadter Volume II From the Revolution to the Civil War. 1765-1865 Edited by Richard Hofstadter
