装帧:Paperback

isbn:9780765809964

The publication in 1988 of Salman Rushdie's novel *The Satanic Verses* triggered a furor that pitted much of the Islamic world against the West over issues of blasphemy and freedom of expression. The controversy soon took on the aspect of a confrontation of civilizations, provoking powerful emotions on a global level. It involved censorship, protests, riots, a break in diplomatic relations, culminating in the notorious Iranian edict calling for the death of the novelist. In *The Rushdie Affair*, Daniel Pipes explains why the publication of *The Satanic Verses* became a cataclysmic event with far-reaching political and social consequences.
